### **Second International Workshop on Realising Evidence-Based Software Engineering (REBSE 2007)**

#### **Workshop Organization**

2nd International Workshop on Realising Evidence-Based Software Engineering (REBSE-2): Overview and Introduction.....	1
<i>Barbara Kitchenham, David Budgen, Pearl Brereton, and Mark Turner</i>	
Search Engine Overlaps: Do They Agree or Disagree?.....	6
<i>John Bailey, Cheng Zhang, David Budgen, Mark Turner, and Stuart Charters</i>	
Getting the Best out of Software Process Simulation and Empirical Research in Software Engineering .....	12
<i>Paul Wernick and Tracy Hall</i>	
An Infrastructure for Indexing and Organizing Best Practices.....	18
<i>Liming Zhu, Mark Staples, and Ian Gorton</i>
