Research Progress and Trend of Leader Member Exchange Based on Social Complex Network and Latent Dirichlet Allocation Topic Model ..... 424
*Chunyang Zhang (Dalian University of Technology, China), Kun Ding (Dalian University of Technology, China), Chunbo Zhang (Dalian University of Technology, China), and Li Zhang (Dalian University of Technology, China)*

An Analysis of Regulatory Technology in the Internet Financial Sector in Conjunction with the Logit Model ..... 428
*Jingxiu Du (Harbin University of Commerce, China) and Liuyan Wei (Shanghai Institute of Space Power-Sources, China)*

Analysis on the Willingness of Financing and the Influencing Factors of Enterprises in Agricultural Science and Technology Parks in Hebei Province -Based on the Binary Logistic Model ..... 432
*Wei Liu (Beijing Jiaotong University, China)*

The Status of Female Employee and Their Competitive Industries in Myanmar -Based on the Female Employee Competition Degree Measurement by Coefficient Model ..... 436
*Yan Zhang (Yunnan Agricultural University, China), Lu Feng (Yunnan Agricultural University, China), Binlin Li (Yunnan Agricultural University, China), and Bo Li (Yunnan Academy of Agricultural Sciences, China)*

Research on the Impact of the Actual Controller's Obtaining Right of Abode on Audit Quality of Small and Medium Listed Companies through Regression Model ..... 440
*Xuefei Zhang (Beijing Jiaotong University, China)*

Moderated Mediation Model of Internet Rumors and Irrational Consumption ..... 444
*Junfeng Liao (South China University of Technology, China), Jiaqi Yang (South China University of Technology, China), Xinran Chen (China Mobile Communications Corporation, Foshan Branch, China), and Rundong Li (South China University of Technology, China)*

Analysis of OTC Drug Packaging Design: A Model Based on The Role Separation of Consumers ... 449
*Zi Yi Wang (Hubei University of Chinese Medicine, China), Ya Wen (Hubei University of Chinese Medicine, China), and Ni Yan (Hubei University of Chinese Medicine, China)*

An Innovative Urban Sustainable Development Level Evaluation Model ..... 453
*Lizhong Tong (Sichuan University, China), Jiajia Yi (Sichuan University, China), and JinDan Wang (Sichuan University, China)*

Analysis on the Spatial Differences and Influencing Factors of Cultural Consumption of Urban Residents in Shandong Province Based on Panel Regression Model ..... 459
*Xu Jin (Harbin Institute of Technology, China)*

Research on the Relationship Model Among Network Capability, Tacit Knowledge Transfer and Innovation Performance: Based on the Perspective of Focus Enterprise in Alliance Portfolio..... 464
*Shuizheng Song (University of Electronic Science and Technology of China, China) and Yunfei Shao (University of Electronic Science and Technology of China, China)*

Multinational Company Registration Country's Control over Overseas Operations-Based on Capital Asset Pricing Model ..... 474
*Keyi Zhang (Hebei Finance University, China)*

Analysis on the Influence of Exchange Rate Communication on China's Exchange Rate Market by Egarch Model ..... 479
*Jiawei Chen (Shanghai University)*

Regional Innovation System Efficiency Assessment in Sichuan Based on DEA Model and Coupling Theory ..... 483
*Yuehua Xia (Gansu Normal Universitiy for Nationalities, China) and Qunxi Gong (Sichuan University, China)*

Study on Evaluation of Regional Green Innovation Efficiency in China-Based on Super-Efficiency SBM Model and Malmquist Index ..... 487
*Jiaqi Wang (Wuhan University of Technology, China), Yang Li (Wuhan University of Technology, China), and Fei Lan (Wuhan University of Technology, China)*

Research on the Linkage Relationship between Different Levels of Money Supply and Economic Growth Based on VAR Model ..... 493
*Chunhua Huang (Hubei Business College, China)*

Research on Building a Sharing Model to Help the Development of Community Business Smart Service System ..... 497
*Mingxiao Zhao (Dalian Vocational and Technical College, China)*

Research on the Characteristics' Influence of the Board of Directors on the Performance of Cross-Border M&A Based on OSL Model ..... 502
*Xin Wang (Beijing Jiaotong University, P.R.China)*

Peer Effects on Chinese Corporate Cash Holdings: A Fixed-Effects Model ..... 506
*Xingshuo Tian (Beijing Jiaotong University, China)*

Generalization of Cobweb Model ..... 510
*Cancan Zhang (Donghua University) and Liangjian Hu (Donghua University)*

The Model Construction and Application Practice of Personalized Customization System in Internet era —Take Kutesmart C2M Personalized Customization of Red Collar Group as an Example ..... 515
*Chenggang Li (Beijing Institute of Fashion Technology, China) and Wenli Li (Beijing Institute of Fashion Technology, China)*

Forecast Rossmann Store Sales Base on Xgboost Model ..... 521
*Zhao Weijie (Jinmei Communication Co., Ltd, China), Chen Liang (Jinmei Communication Co., Ltd, China), and Hu Jiangmin (Jinmei Communication Co., Ltd, China)*

Traveling Decision Making of Chinese Households Based on the Probit Model ..... 526
*Zhiping Jiang (Sichuan Normal University, China) and Xianchao Sun (Sichuan Normal University, China)*

Economic Variables Affecting the Gold Price: The Partial Effects of Linear Models ..... 530
*Tianqi Jiang (University of California, Los Angeles)*

The Optimal Model for Predicting the Trend of Stock Index Through the Comparison of Different Classifiers ..... 538
*Yiyang Qian (Zhejiang University of Finance & Economics, China)*

Establishment and Verification of the Thermodynamic Models for Hotpot Meatballs and Meat Slices ..... 544
*Youwei Jiang (Qingdao No.2 Middle School) and Jianxing Zhao (Qingdao No.2 Middle School)*

A Multi-index Pricing Model for Emergency Material Procurement Based on Constraint Theory ... 556
*Yu Zhang (Fujian Great Power Science and Technology Co., Ltd., China) and Lijuan Wen (Fujian Great Power Science and Technology Co., Ltd., China)*

Research on the Relationship Between Arbitrage and Spread of Shanghai Stock Exchange 50ETF Based on Parity Option Model ..... 560
*Ruijiao Zheng (Beijing Jiaotong University, China)*

Research on the Regional Economic Effects of "The Belt & Road Initiative" and China's Countermeasures - Based on GTAP Model ..... 564
*Chen Min (South East University, PRC; Chongqing Three Gorges University, PRC)*

Research on Contribution of China's Marine Industrial Structure Change to Ocean Economic Growth base on Mathematical Model ..... 570
*Xuehang Liu (Sichuan University, China)*

Analysis of the Impact of Sino-US Trade Friction on the Export Competitiveness of China's Electronic Products Based on Simultaneous Equations Model ..... 576
*Jingjing Ren (Beijing Jiaotong University, China) and Huiying Sun (Beijing Jiaotong University, China)*

A Novel Model for Soccer Match Attendance Rate Incorporating Star Effect: Empirical Evidence from the China Super League ..... 580
*Xilin Fan (Sichuan University, China), Ziyao Huang (Sichuan University, China), Ying Wang (Sichuan University, China), and Ziyan Tang (Sichuan University, China)*

## 3. Economic Operations Research and Empirical Research Analysis

Research on the Prevention Mechanism of Illegal Reduction of Shareholding of Senior Executives in Listed Enterprises: Analysis Based on the Model of Dynamic Game of Incomplete Information ..... 587
*Quanzhang Yu (Beijing Jiaotong University, China) and Lihua Guo (Beijing Jiaotong University, China)*
