2021 International Symposium on Educational Technology (ISET) **ISET 2021**

Table of Contents

Preface **xiii**.....

Organizing Committee **xiv**.....

International Program Committee **xv**.....

Keynote Speakers and Panel Chairs **xviii**.....

Keynotes **xix**.....

Organizers and Sponsor **xxiii**.....

Computer Supported Collaborative Learning

STEM Making: Fostering Secondary Students' Collaborative Skills with Mentor-Scaffolded Authentic Problem Solving **3**.....
Xiaojing Weng (The Chinese University of Hong Kong, China), Morris S.Y. Jong (The Chinese University of Hong Kong, China), and Thomas K.F. Chiu (The Chinese University of Hong Kong, China)

Professional Learning Through Mentorship in a Teaching Portfolio Workshop **6**.....
Yukari Kato (Tokyo Metropolitan University, Japan), Chizuko Inoue (Osaka Prefecture University, Japan), Satoshi Yamashita (National Institute of Technology, Japan), Hirohito Ishimaru (National Institute of Technology, Japan), Tetsu Ueno (National Institute of Technology, Japan), Shigeyuki Ajisaka (Osaka Prefecture University, Japan), Suguru Higashida (Osaka Prefecture University, Japan), Tadahiro Kaneda (Osaka Prefecture University, Japan), Tomoharu Doi (Osaka Prefecture University, Japan), Takeshi Wad (Osaka Prefecture University, Japan), Kiyoshi Hayakawa (Osaka Prefecture University, Japan), Kazuhisa Furuta (Osaka Prefecture University, Japan), and Ken'ichi Kitano (Osaka Prefecture University, Japan)

Online Discussion with Assigned Roles: Does It Bring Better Learning Behaviors and Experiences? **10**.....
Qinna Feng (Central China Normal University, China), Ying Chen (Central China Normal University, China), and Heng Luo (Central China Normal University, China)

Research on the Types and Adoption of Peer Feedback Integrated with Interdisciplinary Collaboration **15**.....
Shanyun Kuang (South China Normal University, China), Zhijun Xu (South China Normal University, China), Jiaqi Gui (South China Normal University, China), and Jiawen Deng (South China Normal University, China)

Clustering Analysis of Learner Groups in Collaborative Learning: From Perspective of Group Role Preferences .21.....

Yichi Wang (Central China Normal University, China), Yi Zhang (Central China Normal University, China), Yuru Lin (Central China Normal University, China), and Hao Huang (Central China Normal University, China)

Development Trajectory of Student Cognitive Behaviors in a SPOC Forum: An Integrated Approach Combining Epistemic Network Analysis and Lag Sequential Analysis .26.....

Zhi Liu (Central China Normal University, China), Ning Zhang (Central China Normal University, China), Shiqi Liu (Central China Normal University, China), and Sannyuya Liu (Central China Normal University, China)

Institutional Policies and Strategies

The Design of Scaffolding for Inquiry Learning .33.....
Lingyu Dou (Beijing Normal University, China)

A Case Study of Information Accuracy and Dissemination via Digital Media: Has the Number of Doctoral Students Truly Decreased by Half? .38.....

Terumi Miyazoe (Tokyo University of Science, Japan) and Shinichi Sato (Nihon Fukushi University, Japan)

Video Lessons and E-Learning Can Overcome Ban of Face-to-face Lessons in Teaching Mathematics .44.....

Milan Pokorný (Trnava University, Slovakia)

Features of Instructional Language for Cultivation of Creative Thinking: A Data-Driven Analysis of Chinese Senior High School English Textbooks .48.....

Shuquan Li (South China Normal University, China) and Manfei Xu (South China Normal University, China)

Parental Acceptance of Online Learning During Covid-19 Pandemic: A Study Based on Integrated Model of Technology Acceptance and Expected Confirmation .53.....

Jun Tian (South China Normal University, China; Central China Normal University, China), Xuan Wang (Central China Normal University, China), Jixin Wang (Central China Normal University, China), Daiqi Wang (Central China Normal University, China), and Can Zuo (Central China Normal University, China)

K-12 Teachers' Online Teaching Intention: Factors of Teacher Demography and Platform Function .58.....

Jie Liu (Central China Normal University, China), Liyuan Wei (Central China Normal University, China), Yayun Liu (Central China Normal University, China), Peiyu Wang (Central China Normal University, China), Tianjiao Chen (Central China Normal University, China), and Heng Luo (Central China Normal University, China)

E-learning and Online Learning

Using E-Learning Activities to Support Classical Chinese Learning in the Out-of-Class Context .65.....

Kit-Ling Lau (The Chinese University of Hong Kong)

Role Conflicts at Home: A Qualitative Case Study on College Students' Online Learning During the COVID-19 Based on the Social Role Theory .69.....	69
<i>Luying Qiu (Central China Normal University Wuhan, China), Mingxia Hao (Central China Normal University Wuhan, China), and Taotao Long (Central China Normal University Wuhan, China)</i>	
An Investigation of Chinese Junior High School Students' Perception of Online Learning Resources During the COVID-19 Pandemic .74.....	74
<i>Yinghui Shi (Central China Normal University, China), Qiuyu Pu (Central China Normal University, China), Kexin Jia (Central China Normal University, China), Zhongyue Yin (Central China Normal University, China), Yu Jiang (National Center for Educational Technology, China), and Harrison Hao Yang (Central China Normal University, China; State University of New York at Oswego, USA)</i>	
Research on the Influencing Factors to College Students' Learning Burnout in Online Learning: Social Support, Learning Pressure and Autonomous Learning Ability .79.....	79
<i>Hongyan Zhang (Central China Normal University, China), Xuan Wang (Central China Normal University, China), Yongpeng Cui (Central China Normal University, China), Tong Zhao (Central China Normal University, China), Jixin Wang (Central China Normal University, China), and Can Zuo (Central China Normal University, China)</i>	
Understanding Middle School Students' Perceptions of the Usefulness of Online Classes .84.....	84
<i>Jin Cai (Hubei University of Education, China), Harrison Hao Yang (Central China Normal University, China; State University of New York at Oswego, USA), He Yang (Hubei University of Education, China), Xiaochen Wang (Capital Normal University, China), Xiangyang He (Hunan First Normal University, China), and Shunbi Wu (Guizhou Minzu University, China)</i>	
A Study of Vocational and Professional Education and Training (VPET) Students' Online Learning Experience During the Outbreak of Pandemic .89.....	89
<i>Ricky Yuk-Kwan Ng (The Hong Kong Academy for Performing Arts, China), Kwan-Keung Ng (Chung Hua University, China), Rechell Yee-Shun Lam (Vocational Training Council, China), and Lap-Kei Lee (The Open University of Hong Kong, China)</i>	
Research on the Influencing Factors of K-12 Students' Engagement in Home-Based Online Learning During COVID-19 Pandemic .96.....	96
<i>Can Zuo (Central China Normal University, China), Xuan Wang (Central China Normal University, China), Jixin Wang (Central China Normal University, China), Jun Tian (Central China Normal University, China), Yongpeng Cui (Central China Normal University, China), and Quan Zhou (Central China Normal University, China)</i>	
Factors Influencing College Students' Teaching, Social, and Cognitive Presence in Online Learning: Based on a National Survey .101.....	101
<i>Shuxian Xu (Central China Normal University, China), Gege Li (Central China Normal University, China), and Heng Luo (Central China Normal University, China)</i>	
What Drives College Teachers' Behavioral Intention to Teach Online? A Structural Equation Modelling Approach .106.....	106
<i>Tianjiao Chen (Central China Normal University, China), Gege Li (Central China Normal University, China), Qinna Feng (Central China Normal University, China), Jie Liu (Central China Normal University, China), Peiyu Wang (Central China Normal University, China), and Heng Luo (Central China Normal University, China)</i>	

What Drives Rural Students' Online Learning Continuance Intention: An SEM Approach .112.	
	<i>Lingling Liang (Central China Normal University, China), Qifang Zhong (Central China Normal University, China), Mingzhang Zuo (Central China Normal University, China), Heng Luo (Central China Normal University, China), and Zhonghua Wang (Central China Normal University, China)</i>
An Investigation of College Students' Information Literacy, Interaction, and Preferences in Online Learning During the COVID-19 Pandemic .117.....	
	<i>Xuan Wang (Central China Normal University, China), Harrison Hao Yang (Central China Normal University, China; State University of New York at Oswego, USA), Can Zuo (Central China Normal University, China), Yinghui Shi (Central China Normal University, China), Jun Tian (Central China Normal University, China), and Daiqi Wang (Central China Normal University, China)</i>
Research on K-12 Teachers' Continuance Intention of Online Teaching-Based on the Extended ECM-IS Model .122.....	
	<i>Yongpeng Cui (Central China Normal University, China; Northwest Minzu University, China), Xuan Wang (Central China Normal University, China), Jixin Wang (Central China Normal University, China), Can Zuo (Central China Normal University, China), Jun Tian (Central China Normal University, China), and Mengting Chen (Central China Normal University, China)</i>

Ubiquitous Learning and Flexible Learning

Self-Regulation-Oriented Analysis of Online Learning Behavior and Influencing Factors .129...	
	<i>Han Wang (Central China Normal University, China), Tao Huang (Central China Normal University, China), Yuan Zhao (Jiujiang University, China), Yu-ping Yue (Ningxia Zhongwei No.3 Primary School, China), Ye Gao (Ningxia Zhongwei No.3 Primary School, China), and Jie Gao (Ningxia Zhongwei No.3 Primary School, China)</i>
Personalized Learning Environments .134.....	
	<i>Matthew Montebello (University of Malta, Malta)</i>
Research on Machine Understanding Math Word Problems: From the Perspective of Discourse Comprehension Models .139.....	
	<i>Jingxiu Huang (South China Normal University, China), Qingtang Liu (Central China Normal University, China), Yunxiang Zheng (South China Normal University, China), Linjing Wu (Central China Normal University, China), Yigang Ding (South China Normal University, China), and Li Huang (Zhoukou Normal University, China)</i>
The Development Prospect of Learning Intervention Research Under the Perspective of Learning Analysis .145.....	
	<i>Shiyan He (Northwest Normal University, China), Minsheng Fan (Northwest Normal University, China), and Zhenhua Liu (Northwest Normal University, China)</i>
Personalized Learning for Knowledge Management in Herbal Medicine .150.....	
	<i>Verayuth Lertnattee (Silpakorn University, Nakhon Pathom) and Bunyapa Wangwattana (Silpakorn University, Nakhon Pathom)</i>

Smart Learning Environment

- Study on College Students' Learning Engagement and Classroom Preferences Under the Smart Classroom Environment .157.....
Kaili Lu (Central China Normal University, China), Yinghui Shi (Central China Normal University, China), Jie Li (Central China Normal University, China), Harrison Hao Yang (Central China Normal University, China; State University of New York at Oswego, USA), and Min Xu (Central China Normal University, China)
- The Benefits and Challenges of Smart Learning: A Literature Review .161.....
Billy T.M. Wong (The Open University of Hong Kong) and Kam Cheong Li (The Open University of Hong Kong)
- Analysis and Research on the Influencing Factors of Learners' Learning Performance in Blended Learning Environment .165.....
Zhenhua Liu (Northwest Normal University, China), Minsheng Fan (Northwest Normal University, China), and Binli Wang (Northwest Normal University, China)
- Research on the Influencing Factors of College Students' Deep Learning in Blended Learning Environment .170.....
Hesiqi Bin (Central China Normal University, China), Yi Zhang (Central China Normal University, China), Xue Qin (Central China Normal University, China), and Jingsi Ma (Central China Normal University, China)
- Research on the Design of Primary School English Learning Resources Based on Cognitive Model .176.....
Liu Jun (Sichuan Normal University, China), Yang Juan (Sichuan Normal University, China), Yan Weiwei (Sichuan Normal University, China), and Kuang Xiaofang (Sichuan Normal University, China)
- A Pilot Study of Students' Behavioral Intention to Use AI for Language Learning in Higher Education .182.....
Mengyuan Chen (The Chinese University of Hong Kong, Hong Kong), Morris Siu-yung Jong (The Chinese University of Hong Kong, Hong Kong), Ching Sing Chai (The Chinese University of Hong Kong, Hong Kong), Chunping Zheng (Beijing University of Posts and Telecommunications, China), and Moon-Young Park (The Chinese University of Hong Kong, Hong Kong)

Learning Analytics

- Explore Learning Outcome in Terms of Thinking Style and Learning Portfolio .187.....
Cheng-Yu Tsai (National Chung Cheng University, Taiwan), Yu-Wen Luo (National Chung Cheng University, Taiwan), Chih-Tsan Chang (Ming Dao University, Taiwan), Hung-Hsu Tsai (National Chung Hsing University, Taiwan), and Pao-Ta Yu (National Chung Cheng University, Taiwan)
- The Design and Development of a Classroom Evaluation System for K-12 Formative Assessment in China .192.....
Qingtang Liu (Central China Normal University, China), Qinchun Yu (Central China Normal University, China), and Shen Ba (Central China Normal University, China)

Predicting the Emotional Engagement in Online Learning: A Hybrid Structural Equation Modeling-Artificial Neural Network Approach .197.....	
	<i>Linjie Zhang (Zhejiang Normal University, China), Changqin Huang (Zhejiang Normal University, China), Tao He (South China Normal University, China), Xuemei Wu (South China Normal University, China), Xizhe Wang (Zhejiang Normal University, China), and Jianhui Yu (Zhejiang Normal University, China)</i>
Research on the Influence of Target Features on the Visual Tracking of Children with Autism .202.....	
	<i>Kun Zhang (Central China Normal University, China), Chenxin Liu (Central China Normal University, China), Jingying Chen (Central China Normal University, China), Xiaodi Liu (Central China Normal University, China), Guangshuai Wang (Central China Normal University, China), and Rujing Zhang (Central China Normal University, China)</i>
Investigating the Flipped-Classroom Approach on College Students' Computational Thinking Skills .207.....	
	<i>Di Gong (Central China Normal University, China), Harrison Hao Yang (China Normal University, China; State University of New York at Oswego, USA), and Jin Cai (Hubei University of Education, China)</i>
Research on the Cognitive Input Evaluation Model of MOOC Online Learning from the Perspective of Learning Analysis .211.....	
	<i>Xitian Yi (South China Normal University, China)</i>

Instructional Technology

Old Nishiki-e as Learning Tool for Contemporary Digital Object-Based Learning in STEAM Education .219.....	
	<i>Sayuri Tanabashi (The University of Tokyo, Japan)</i>
Content Management System for Creating Microlearning Courses .223.....	
	<i>Tomas Javorcik (University of Ostrava)</i>
Factors Influencing Pre-Service Teachers' Acceptance to Introduce Danmaku Video into Online Education .228.....	
	<i>Yingying Ning (South China Normal University, China) and Chenyang Dong (South China Normal University, China)</i>
Broadening Word Learning Scopes in Informal Learning Using Ubiquitous Learning Tools .232	
	<i>Mohammad Nehal Hasnine (Hosei University, Japan), Masatoshi Ishikawa (Tokyo Seitoku University, Japan), and Hiroshi Ueda (Hosei University, Japan)</i>
Development of a Web Application for Sports Skill Acquisition Process Visualization System.235	
	<i>Yuta Ogai (Tokyo Polytechnic University, Japan), Sha Rin (Tokyo Polytechnic University, Japan), Sayaka Tohyama (Shizuoka University, Japan), and Masayuki Yamada (Kyushu Institute of Technology, Japan)</i>
An Empirical Study Using the Cognitive Learning RM2A Model for a STEM Project Based on Gesture-Based Technology .238.....	
	<i>Zixun Hua (Guangdong University of Education, China) and Daoming Fu (Guangdong University of Education, China)</i>

Chinese K-12 Teachers' Acceptance of Augmented Reality Based on Technology Acceptance Model .243.....	
	<i>Jingjing Ma (Central China Normal University, China), Qingtang Liu (Central China Normal University, China), Shufan Yu (Central China Normal University, China), Mengfan Liu (Central China Normal University, China), Jindian Liu (Central China Normal University, China), and Linjing Wu (Central China Normal University, China)</i>
Enhancing Chinese EFL Learners' Coherence and Cohesion in the Continuation Task Through Blended Learning: A Collaborative Action Research .247.....	
	<i>Juan Zeng (South China Normal University, China), Yuwei Zhang (South China Normal University, China), Bibing Shi (Shenzhen Second Foreign Languages School, China), and Liyan Huang (South China Normal University, China)</i>
IoT-Based Experiential E-Learning Platform (EELP) for Online and Blended Courses .252.....	
	<i>Moein Mehtash (McMaster University, Canada), Kimia Ghalkhani (McMaster University, Canada), and Ishwar Singh (McMaster University, Canada)</i>
Effective Use of Drone in Elementary School Programming Classes .256.....	
	<i>Taro Saiki (Niigata Institute of Technology, Japan) and Eiichi Sato (Niigata Institute of Technology, Japan)</i>

Gamification and Virtual Reality for Education

Effects of A Scratch-Based Experiential Learning Approach on Students' Math Learning Achievements and Interest .261.....	
	<i>Wei Mo (Central China Normal University, China), Yi Zhang (Central China Normal University, China), Yunhua Fu (Wuhan Economic and Technological, China), Jia Lin (Wuhan Dongxihu District, China), Hanrui Gao (Central China Normal University, China), and Yuru Lin (Central China Normal University, China)</i>
Design and Implementation of Virtual Museum Learning Environment from the Perspective of Multimedia Learning Theory .266.....	
	<i>Qingtang Liu (Central China Normal University, China), Mengfan Liu (Central China Normal University, China), Shufan Yu (Central China Normal University, China), Jingjing Ma (Central China Normal University, China), Jindian Liu (Central China Normal University, China), and Yuwei Jiang (Central China Normal University, China)</i>
Gamification of Flipped Classroom: FIBER Vs. G-FIBER .270.....	
	<i>Morris Siu-Yung Jong (The Chinese University of Hong Kong, China), GaoWei Chen (The University of Hong Kong, China), Vincent W. L. Tam (The University of Hong Kong, China), Ming-Tak Hue (The Education University of Hong Kong, China), Mengyuan Chen (The Chinese University of Hong Kong, China), and Xiaojing Weng (The Chinese University of Hong Kong, China)</i>
Design and Development of an Educational Game for Facilitating Spatial Ability and Mathematics Learning .275.....	
	<i>Jialing Zeng (Peking University, China), Ruonan Hu (Peking University, China), and Junjie Shang (Peking University, China)</i>

Visualization Analysis of Game-Based Teaching in China Based on CiteSpace 281.....
Hao Chen (Northwest Normal University, China), Xiangchun He (Northwest Normal University, China), Cuilu Sun (Northwest Normal University, China), Yingjie Fan (Northwest Normal University, China), Linsheng Wang (Northwest Normal University, China), and Junfang Chen (Northwest Normal University, China)

Author Index 287.....
